
RESTRICTIVE COVENANTS – MISSION ESTATES IV

PLAN # 042-0468

DWELLING

TYPE: The said lands shall be used for the construction on each lot of a single detached residential dwelling only (hereinafter referred to as "the residence").

CONSTRUCTION

STANDARD: Any residence shall be of new construction and shall be built to standards and designs approved by the developer. Additionally, the developer shall approve the plot plan for any construction.

EXTERIOR

WALL FINISH: Only wood, aluminium or vinyl siding, stucco, hardboard, brick, natural stone or cultured stone shall be utilized as exterior wall finishes and trim materials.

DESIGN

CREATIVITY: Each house must have a minimum of 15% brick or stonework on the front façade or alternatively, must display design creativity which offsets the need for brick or stone.

ROOFING

MATERIALS: Only cedar shakes, pine shakes, clay tile, slate or cembrit slates shall be used.

ROOF SLOPES:

All roof slopes shall be a minimum rise of five (5) feet for each twelve (12) feet on run, including garages.

FIREPLACES:

Where a fireplace is installed, there shall be no exposed chimney pipe on the exterior of the residence, except above the roof line.

HOUSE SIZE:

Maximum site coverage shall conform to The City of Grande Prairie requirements. Minimum total floor areas shall be:

Bungalow	1200 sq. ft. (on main level)
Bi-Level	1200 sq. ft. (on main level)
Split-Level	1200 sq. ft. (main & upper level)
2-Storey	1600 sq. ft. (main & upper level)

At the discretion of the Architectural Coordinator acting reasonably, the minimum square footage may be reduced by 50 sq. ft. if the entire building pocket frontage is utilized and massing is superior.

GARAGES:

Attached double garages are required at all residences. Garages are to be finished with similar design and materials to the house.

DRIVEWAY:

Concurrent with the construction of the dwelling – a concrete, cobblestone, interlocking brick or stamped asphalt driveway beyond the gravel level shall be constructed.

SIDEWALKS:

Concurrent with the construction of the dwelling, an entry sidewalk from either the front street or driveway shall be constructed of cobblestone, interlocking brick, or poured or precast concrete.

LANDSCAPING: Within twelve (12) months of occupancy, all front yards shall be seeded or sodded to lawn grass, except for those portions used in other decorative landscaping techniques, such as flower beds, shrubs, and washed or tile rock. All lawns must be completed to the front street curb. **ON CORNER LOTS**, the homeowner is required to sod/landscape to the side curb and maintain the area.

MODULAR OR MOBILE HOMES: No modular or mobile home shall be parked or moved onto the said lands.

NON-OPERATIVE VEHICLES: Non-operative motor vehicles, waste, garbage or rubbish shall not be stored or placed on any lot nor shall anything be done which may be a nuisance or annoyance to neighbouring properties.

ACCESSORY BUILDINGS: No accessory buildings, except garages, shall be located in the front yards. All accessory buildings should be finished in the same exterior materials and colours as the residence.

SATELLITE DISHES: Satellite dishes with a diameter in excess of 30” are not permitted. Satellite dishes with a diameter less than 30” are permitted in side and rear yards only.

PETS: No birds or animals shall be kept on the said lands except dogs, cats and birds as household pets.

SIGNS: No signs or advertising material of any kind shall be placed or erected on a lot, except:

- a) one sign on each lot of not more than five (5) sq. ft. advertising the property for sale or rent;
- b) signs used by a building contractor during construction;
- c) any personal name plate on each lot not more than two (2) sq. ft. denoting the owner's name and address only.

LOT

MAINTENANCE: Should any lot herein not be built upon, the owner shall thereafter until built on, keep the same in good repair and weed free.

COMPLETION PERIOD:

Any exterior construction on the residence, property improvements or any deck or fence construction in the yard, shall be completed within nine (9) months from the date of commencement. Upon completion, the property shall be cleaned up so as not to constitute a nuisance or annoyance to neighbouring properties.

SOIL

CONDITIONS: All lot owners shall be aware that the soil conditions in this area varies considerable from lot to lot. The owner shall satisfy himself either through personal investigation or through the assistance of a geotechnical consultant that the footing size, water intrusion and any other geotechnical concern that may arise due to the construction of homes or any other building, is properly investigated and dealt with prior to the purchase of the lot. The developer of the land shall not be held legally responsible for any geotechnical problems that may arise because of variable soil conditions.

**BREACH OF
COVENANTS:**

Should any owner of any lot breach any of the covenants herein, then any other owner, adjoining or otherwise of any of the lands in Schedule "A", may proceed in law against the offending owner to enforce these covenants, provided however, that no obligation, action or claim lies against the Developer other than as a registered owner in the event of such breach. This covenant shall constitute an absolute defence to claim or action against the Developer.

FENCING:

Any fence erected on the lands shall be no more than six (6) feet in height and shall be of chainlink construction or alternately, of wooden construction following the general specifications set out in Appendix "B" hereto. No fence shall protrude or be constructed closer to the roadway than the front of the residence. Masonry posts to match existing house masonry are acceptable.

The Developer shall provide fencing as follows:

Corner lots shall all have a tiered wood fence along the street side starting adjacent to the front of the house and extending to the rear property line. The fence shall be 6 ft. in height at the rear property line and shall drop to 5 ft. at the rear corner of the house and again drop 4 ft. approximately half way to the front corner of the house.

Corner lots would include:

Lot 66 of Block 13,
Lot 74 of Block 13.

Fences built by the Developer cannot be removed or obstructed by another fence. The homeowner is required to maintain the fence in good quality standards, including using only the original stain named "Monteray Grey". Original grade at the rear as established by Developer must not be changed by Grantee.

APPENDIX "B"

10" Diameter x 4'0" Concrete Piles (Typical)
1" x 6" Spruce Boards (Rough Sawn)
